

## Terms and conditions

# Miljøfyrtårn

## 1 Mission

### 1.1 Content/Scope

Grønn Jobbs (Contractor) shall perform consultancy assistance and guidance in connection with the Miljøfyrtårn certification of the customer. The customer will also have access to proposals for other document templates that are relevant for certification as an Miljøfyrtårn.

If there is a need for further assistance to adapt documents, this can be agreed and invoiced in accordance with the current price list.

### 1.2 Duration

The assignment commences after the information and mapping meeting has been completed, and when the agreement has been signed. The customer shall be ready for certification within 3 months of the signed agreement unless otherwise agreed.

### 1.3 Requirements relating to the contractor

It is a requirement that the consultant has the necessary environmental expertise and is an approved Miljøfyrtårn consultant. Furthermore, the Miljøfyrtårn Foundation's impartiality requirements are applied. It is confirmed that the executing consultant has expertise and experience as a consultant, and works at all times in accordance with current guidelines established by the Miljøfyrtårn Foundation.

Relocation of a scheduled work meeting must be notified before 5 working days before the scheduled time. Moving a work meeting within 5 working days before the planned appointment will result in an additional cost of NOK 2,500, unless otherwise agreed. The process could then be postponed by the number of days or weeks that the new meeting is scheduled according to the original plan.

Consultations in addition to scheduled and scheduled meetings are invoiced in accordance with the current price list.

## 2 Payment

Invoicing will take place with 14 days payment deadline after the agreement has been entered into. The invoiced amount applies to what is agreed in the contract, unless otherwise agreed during the execution of the assignment.

## 3 Confidentiality

The contractor undertakes to maintain confidentiality regarding everything that relates to operational and business matters that the consultant becomes aware of during his work to assist in connection with Miljøfyrtårn certification. The consultant shall not discuss matters concerning the client with colleagues or outsiders without this being clarified with the client.

## 4 Force Majeure

If an extraordinary situation occurs which, according to ordinary rules of the sale of goods, must be regarded as force majeure, this agreement is not considered to be in default as long as the force majeure situation persists.

## 5 Defaults

Grønn Jobbs shall carry out the assignment within specified time and resource limits determined during the start-up meeting. The implementation is based on the customer's own efforts and that agreed activities are performed by the customer in accordance with the agreed progress plan. Grønn Jobb is not responsible for delayed certification or that the customer is not certified according to the Miljøfyrtårn standard due to lack of own effort on the part of the customer.

## 6 Duration/termination

The agreement is valid from signing until the assignment is completed and operations are Miljøfyrtårn certified. The contractor may, if the contracting authority significantly changes the content or scope of the assignment, terminate the agreement.

## 7 Amendments/Additions to the Agreement

Changes in the content or scope of the assignment must be agreed in writing, by e-mail or other appropriate means. In addition to this agreement, the parties may agree on the purchase of other additional services from Grønn Jobb AS.

## 8 Disputes

Any dispute arising in connection with this agreement shall be handled by the Fredrikstad Arbitration Council as the agreed venue.
